Name: Nitin Kumar Dubey

Program: B.Tech CSE

Contact: +91 9835736553

Email: nitinkrdubey.nkd@gmail.com

BRIEF SUMMARY

B.Tech student specializing in Data Science and Cloud Computing with hands-on experience in full-stack web development. Skilled in React, Node.js, and API integration. Passionate about building real-world projects and continuously learning through internships and virtual training programs. Known for being a proactive team player with strong communication and analytical skills.

KEY EXPERTISE

Data Analytics & Visualization
API Integration & Backend Architecture
Problem Solving with a Proactive Mindset
Time Management & Team Collaboration

EDUCATION

Course	School/college	Board/University	Year of passing	Percentage /CGPA
BTech CSE	Sarala Birla University	Sarala Birla University	2026	7.18 (Till 6th Sem)
12th (Senior Secondary)	Sarala Birla Public School	CBSE	2022	72%
10th (Higher Secondary)	Sarala Birla Public School	CBSE	2020	75 %

INTERNSHIPS

- **Web Development Intern – Dilwado.com**
  June 2025 – Present
  Worked on front-end development using WordPress, with focus on UI customization, plugin management, and API integration.
- **Web Developer Intern – NIAMT College**
  June 2025 – Present
  Contributed to a real-time academic portal using React and Node.js, handling API integration and front-end logic.
- **SAP MM Trainee – Usha Martin Ltd.**
  Completed a 1-month training in SAP Materials Management module.
- **Virtual Job Simulation – Accenture**
  Gained practical exposure in data analytics and visualization through an online program.

PROJECTS

- **Oceanic Dataset Linear Regression Report**
  - Built and trained ML models using Python to generate predictions and reports on oceanic data
- **AI Healthcare Chatbot**
  - Developed a Python-based chatbot using NLTK and machine learning libraries to answer health-related queries
- **Academic Management Portal**
  - Collaborated on a real-time academic system at NIAMT using React and Node.js with API support

ASSESSMENTS / CERTIFICATIONS

- **Complete Web Development Course – *Udemy* (2023)**
- **Introduction to Data Science – *Simplilearn* (2023)**
- **Introduction to Cybersecurity – *Simplilearn* (2023)**
- **Introduction to Deep Learning – *Simplilearn* (2024)**
- **Data Analytics and Visualization Job Simulation – *Forage (Accenture)***

SEMINARS / TRAININGS / WORKSHOPS

- **TechPragati 2k24** – Event Organizing Committee Member
- **Cybersecurity Workshop** – Organizing Committee Member

Skills

- Languages: Python, C, C++
- Web Tech: React.js, Node.js, HTML, CSS, JavaScript
- CMS Tools: WordPress
- Databases: MySQL
- Tools: REST APIs, Git, VS Code
- ERP Tools: SAP MM (Basics)

Personal Interest

- Travelling
- Working for the social causes
- Volunteering
- Exploring AI & ML Projects
- Volunteering & Tech Events
- Fitness & Gym Activities

PERSONAL DETAILS

Languages Known: Hindi, English

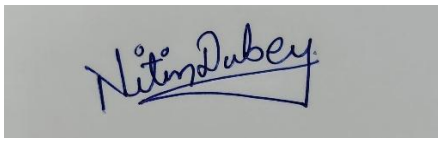
Gender: Male

Marital Status: Single

Date of Birth: 11th June, 2004

Address: Lichi Bagan, Jorar, Namkum, Ranchi, Jharkhand – 834010

Signature:



Place: Ranchi
Date: 28th June, 2025
